

McLain Community High School

SEPTEMBER 21, 2018

VOLUME 1, NUMBER 3

Dear Long View & McLain Families,

Last Thursday I was walking through classrooms observing student learning on the second floor (the ACE program hallway). As I was walking around, I heard a loud group applauding in the library. There were about 60 students sitting and listening to brief presentations from individual students.

The students giving the speeches were our new CB program students, who just finished a 4 and half week Discovery Course, which prepared them to enter the CB Day Program. Each Discovery student rose up and walked to the podium and shared their personal graphic (printed on a t-shirt), and talked about what they learned about themselves and what they hope they could get out of their experience in our school. The students were very eloquent and confident in their responses.

Watching each student express themselves created a moment that made me very proud to work at a school like McLain. Thanks to the students and thanks to the CB Discovery teacher, Denise Alleman, for her fine preparation work with her students.

First School Accountability Committee Meeting

The first SAC meeting of the year is **September 27th at 6:00** in the school library on the second floor. If you were on the School Accountability Committee last year, we would love to invite you back. If you are new to the school or your students has attended McLain for a few years, you are also invited to join us. Each month we will bring together staff members, parents and the community to provide information about our goals as a school and a review of our programs throughout the year. The meetings will last one hour.

Have a great week,

Gavan

NOTE: In an effort to be as efficient as possible, the MC/LV School News is prioritized as follows:

- New or time-sensitive topics of interest are at the top of the list
- Followed by the Calendar of Events and Activities

In order to receive McLain/Long View News, the principal email, contact Ann Carver via email at anncarver@jeffco.k12.co.us. We will update your contact information in Campus as quickly as possible. Mr. Goodrich's email address is ggoodric@jeffco.k12.co.us. If you need to contact him directly, text his personal cell phone number: 214-500-0042.

Jeffco University

Saturday, September 29th is the day to learn about our district, its strategies, departments, operations, and more...all in one day. Jeffco U is free to attend. We're providing breakfast and lunch, and Dr. Glass will kick-off the day talking about Jeffco Generations and the school funding ballot questions. Click on link or more information:

October Count – For Enrollment

The official student membership one-day count is **October 3**, and the 11-day window is September 26-October 10. The schools (McLain HS and Long View HS) funding is based on student enrollment. It is very important that students attend during the October count attendance window, so that we get credit for our students, which results in our yearly funding. Thanks to families for supporting this effort.

Program Activities and Experiences

This section will be updated each week. We will communicate to the best of our ability a running schedule for the different school programs and their planned outings and experiences (a two week running update will be provided each week).

Program	Monday 9/24	Tuesday 9/25	Wednesday 9/26	Thursday 9/27	Friday 9/28
