

McLain Community High School

OCTOBER 8, 2018

VOLUME 1, NUMBER 2

Dear Long View & McLain Families,

We have been in school for a few weeks now. The students and teachers are settling into their classes and their schedules. Overall, I have been very impressed with the students and their respectful behavior and actions. Last week we met with all of the students and reviewed the student standards and expectations for behavior at school. We spoke about being present and on time for classes, we reviewed the rules regarding the use, possession, and sale of drugs and vaping devices (obviously, these are never allowed at school).

One of the most important things that we covered with students was the need to protect them and provide for their safety while they are at school. We reminded students that no one has the right to bully or harass them while they are at school (online bullying and harassment are not allowed as well). When we are informed about anything that is related to bullying or harassment, we will act as soon as we can, to protect each student. We reminded students that they should tell a campus security person (we have four who cover McLain/Long View and Warren Tech), teacher, counselor or administrator if they have any personal concern. Additionally, we reminded student about Safe-2-Tell (a student reporting tool that can be accessed via email, text or phone). If students are concerned about anyone bothering them, their personal safety, or the safety of their fellow students, they can feel comfortable accessing Safe-2-Tell.

School will be closed for the **Labor Day Holiday, September 3rd**. We will see everyone on Tuesday the 4th.

Enjoy the Holiday Weekend,

Gavan
